

Print this sheet out and cut the cards out. You will be writing on the back of them

 Rectangle	 Square	 Parallelogram	 Rhombus
 Trapezium	 Isosceles Triangle	 Scalene Triangle	 Equilateral Triangle
 Kite	 Circle	 Regular Pentagon	 Regular Hexagon
 Regular Octagon	 Ellipse	 Oval	 Quadrilateral

Look around and see if you find these shapes in the real world?
 Once you find one tick it off the list below and say what object you saw that had that shape in it. Try and draw the shape and then write down some properties of the shape that make it unique.

	Shape	Item you saw	Drawing of the shape	Properties of this shape
	Triangle			
Quadrilaterals	Square			
	Rectangle			
	Parallelogram			
	Rhombus			
	Trapezium			
	Kite			
	Circle			
	Elipse
