

You will need a ball of string (at least 2 metres) for this lesson and a cut out of the ruler template

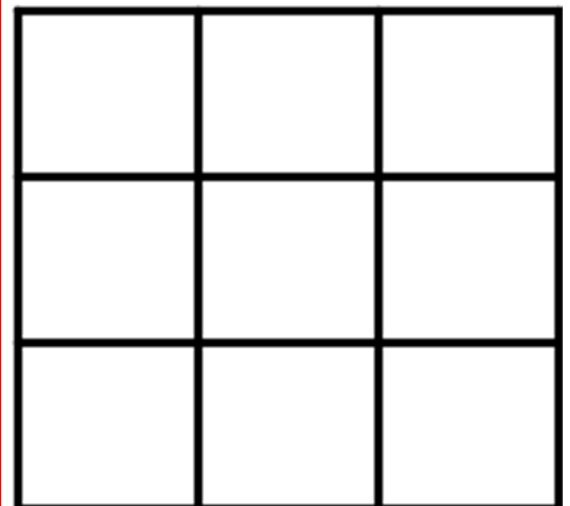

Warm Up - Number Pyramids

Measurement Treasure Hunt

1)	Length of a Toy Car	
2)	Width of a piece of printer paper	
3)	Width of a mobile phone screen	
4)	Length of one of your shoes	
5)	Length of your cubit	
6)	Length of your TV remote control	
7)	Height of a door	
8)	Perimeter of a £5 note	
9)	Perimeter of a mobile phone screen	
10)	Perimeter of a stamp	

BINGO

Power Animal: _____

Print out these rulers and stick them onto card if you can so we can use them in the lesson. If you have your own ruler ideally just with cm on it (no mm) then you can use that instead
